The Supreme Council in Bulgaria was consecrated on January 7, 2001, in a historic ceremony attended by many international Masonic dignitaries.

The establishment of a Supreme Council of the 33°, Ancient and Accepted Scottish Rite of Freemasonry in Bulgaria, was near at hand, and all the hard work, planning, and sacrifice was about to pay off. On Thursday, January 4, 2001, Deputy Robert W. Woodward, 33°, American Military Scottish Rite Bodies, Orient of NATO Bases, and an enthusiastic group of Bulgarian Masons greeted my wife, Virginia, and me at the airport in Sofia, the capital of Bulgaria.

At our arrival, final preparations were underway for the Consecration Ceremony scheduled for Sunday, January 7, which was St. John the Evangelist Day in Bulgaria. Under the leadership of Most Worshipful Ivan Stavrev, Grand Master of Masons in Bulgaria, and with the cooperation of the Supreme Council for Germany, Deputy Robert W. Woodward, 33°, ably directed the

Bulgarian Brethren and the ceremony's participants toward a most successful event.

On Friday, visiting dignitaries, wives, and Officers Elect of the Bulgarian Supreme Council attended a Christian Orthodox service, conducted by Bishop Paul, at the beautiful and historic St. Alexander Nevski Cathedral in Sofia. Following the service, we had a private audience with Bishop Paul, an important religious leader in Bulgaria and a Master Mason. Later, our delegation toured the Bulgarian Archeological Museum, which

contained a fine collection of the remains of Thracian, Greek and Roman settlements, and gold treasure from the 4th century B.C. During the tour, we were entertained by the Sofia Philharmonic String Quartet, performing works by Mozart, Bach, Handel, Beethoven, and other famous composers.

Saturday was spent making final plans for the Consecration Ceremony and visiting the home of the new Supreme Council in Bulgaria, at 1 Vitosha Boulevard, 1040 Sofia, Bulgaria. The facility is located on the busiest street in Sofia. When Masons purchased the building, they discovered it had been built over the "Roman Way," a highway of cobblestones leading across Europe to Rome. A hole has been cut in the floor of the building to display the "Roman Way," in its original form, for all visitors to see.

Early on Sunday morning, January 7, Scottish Rite members from throughout Bulgaria began assembling at the Sheraton Balkan Hotel. At 10:00 AM, the historic Consecration Ceremony began with Deputy Woodward serving as Sovereign Grand Commander. With a great sense of humility and pride, I participated in the service, along with Ill.: Spyros Th. Camalakis, 33°, Grand Chancellor–Grand Secretary General, Supreme Council for Greece; Ill.: Mario Martin Guia, 33°, Lt. Commander, Supreme Council of Portugal; and Ill.: Charles E. Gildewell, 33°, General Secretary, American Military Scottish Rite Bodies. During this inspiring ceremony, Ill.: Petar Kalpakitchiev, 33°, was installed as Sovereign Grand Commander, Supreme Council in Bulgaria, and other elected officers were installed as well. With emotions running high, Grand Commander Kalpakitchiev gave a powerful challenge to the Scottish Rite Brethren to work to make good men better through Scottish Rite Freemasonry in Bulgaria. Sov. На 07.01.2001г. левкийският **епископ Павел “освещава” церемонията по основаването в България на върховен съвет 33-та степен към шотландския масонски ритуал**.

В публикацията относно събитието в официоза на масоните от приетия шотландски ритуал „The scottish rite journal”, брой от Май 2001 г., изрично е упоменато: “**Bishop Paul, an important religious leader in Bulgaria and a Master Mason**”, **тоест епископ Павел е СРЕД ГЛАВНИТЕ МАСОНИ В БЪЛГАРИЯ.**

В същата статия пише, че в петък 05.01.2001 г. **епископ Павел е извършил специална служба в катедралния храм „св. Александър Невски“, посветена на основаването на върховния съвет в България, на която**

са присъствали множество масони.

От 01.03.2000 г. до 01.07.2002 г. Павел е предстоятел на Патриаршеската катедрала „Св. Александър Невски“. **В този период той назначава за ръководител на настоятелството на храма ГЛАВНИЯ БЪЛГАРСКИ МАСОН И МАФИОТ ИЛИЯ ПАВЛОВ.**

Епископът е бил женен и има дете, което е недопустимо според каноните на Църквата. При повдигнатото му за това обвинение той **БОГОХУЛНО** и нагло заявява пред вестник „24 часа“ (30.11.2013): „**ДЯДО Господ** ще ме защити. Не мога да кажа нищо повече“. Павел казва още: „**Аз съм с много големи възможности за разлика от много други**, но не ги ползвам“. **Явно обаче добре ползва своите масонски братя, защото си остава епископ в еретическата, комунистическа, масонска църква**!

Друг техен „брат“ е номинирания лично от патриарха за епископ, скандален „рицар“ и архимандрит на Б“ПЦ“ Дионисий. В медията на Българската Патриаршия е записано:...
